

Standard Furniture myhive

Workspace furniture myhive standard

Every standard workspace will be equipped with a desk (1600 x 800 x 730mm) including power connections, acoustic panels, a height adjustable task chair and a lockable office drawer (431 x 600 x 602). In addition to above mentioned furniture, all **myrooms** will have sideboards (1200 x 450 x 1063mm/height 3FH).

Mycowork offers following furniture depending on design and country:

1. Workspace desk

for example:

- size: 1600 x 800 x 730mm
- table top: oak cognac
- incl. power connections and wireless charger

2. Acoustic panel

for example:

- size: 1600 x 30 x 600mm

3. Ergonomic task chair

for example:

- size: 675 x 700 x 1015mm
- height adjustable and with lumbar support

4. Office drawer

for example:

- size: 431 x 600 x 602mm
- lockable
- in addition to each workspace desk

5. Sideboards

for example:

- size: 1200 x 450 x 1063mm / height 3FH
- only equipped in **myroom**

6. Meeting Rooms & Focus Rooms

The meeting rooms will be furnished with sufficient chairs, tables and special lamps with sound absorbing functions. Also sideboards for storage and a variation of different accessories will be available. The furniture style will be quite similar between meeting and focus rooms. However, this may vary due to the size of the rooms and design.

7. Common Spaces

The common space includes a kitchen a lounge and limited amount of other workstations.

The lounges will include different seating options as a sofa, lounger, chairs and coffee tables depending on the design.

Kitchens will be provided with dining possibilities in variation of high/low tables and appropriate chairs.

Additionally, the kitchen will be equipped as follows:

- coffee machine
- water kettle
- refrigerator
- microwave
- dishwasher and
- dishes
